Our objective is a week of education and fun through a Police Academy Format. The week will include various presentations, hands-on practices and physical training to give recruits an idea of what is involved in being a police officer. Presentations will include crime scene procedures, K-9 capabilities, crime prevention, police officer responsibility at fire scenes, narcotics safety and reporting and much more!

The schedule is from 9:00am until 3:00pm daily. The recruits are to be dropped off no later than 8:50am on each day. Transportation to and from the academy is the responsibility of the recruit's parent/guardian. Recruits are **required** to attend the entire session in order to participate in the culmination ceremony and to receive a certificate of completion at the conclusion of the session. Please be prompt when dropping off and picking up your children.

Please ensure to label all items which the recruits will be bringing with them to camp. Recruits are required to bring their own labeled water bottle and must wear sneakers to the academy. Lunch will be provided to the recruits.

We are hopeful that the interaction that will take place between your child and the members of our department will have a positive effect on all involved. As police officers, we thoroughly enjoy participating in the program and look forward to working with your children!
