When Can I Use My E-ZPass?

You must register your E-ZPass On-the-Go Tag either online or by phone before using it. It depends on the time of day you register your Tag, but generally Tags are available for use next day. Upon registration, you will be notified exactly when your Tag will be activated on the Thruway and other roadways.

Can I give an E-ZPass On-the-Go Tag as a gift?

Yes. E-ZPass On-the-Go Tags are excellent gift ideas for any occasion. You can buy the Tag and give it to anyone to register the Tag at a later date.

Will I get an E-ZPass statement?

Yes. Your statement will detail all trips by date, location and toll amount, as well as any payments made.

Does E-ZPass On-the-Go cost extra?

No! There is no additional cost for getting an E-ZPass Tag at an On-the-Go location. The full \$25.00 payment is moved to an E-ZPass account once the Tag is registered.

Can I add an On-the-Go Tag to my existing E-ZPass account?

Yes, if your existing Tag was issued by the NYS Thruway Authority. This can be determined by verifying that the first three digits of your Tag begin with 004. If the Tag does not begin with 004, then you may not add this Tag to the account.

What if I have more than one vehicle?

Each account can have up to 4 E-ZPass Tags or extra mounting strips will be provided if you want to move your E-ZPass Tag between vehicles. However, all vehicles that use this Tag must be two-axle, four tire vehicles and have the Tag mounted correctly on the windshield.
