Scope – In accordance with Article 15-A of the General Municipal Law (“GML”) (and, specifically, Section 554-a of the GML), Section 104-b of the General Municipal Law, and the Public Authorities Accountability Act of 2005, the Middletown Community Development Agency (“the CDA”) is required to adopt procurement policies which will apply to the procurement of goods and services (in addition to those subject to the competitive bidding requirements of Section 103 of the GML) and paid for by the CDA for its own use, purposes and account.
2. Purpose – Pursuant to Section 104-b of the GML, the primary objectives of this policy are to assure the prudent and economical use of public monies in the best interest of the taxpayers of a political subdivision or district, to facilitate the acquisition of goods and services of maximum quality at the lowest possible cost under the circumstances and to guard against favoritism, improvidence, extravagance, fraud and corruption.

### **B. Procurement Policy**

1. Application of City of Middletown Procurement Policy – Pursuant to Section 554-a of the GML, the procurement policy of the City of Middletown applies to procurements by the CDA. To the extent a particular procurement is not covered by the City of Middletown policy, or to extent there is a variance between the City’s policy and this policy, this policy will govern.
2. Procedure for determining whether Procurements are subject to Competitive Bidding – The procedure for determining whether a procurement of goods and services is subject to competitive bidding shall be as follows:
  - a. The Executive Director or an authorized designee shall make the initial determination as to whether competitive bidding is required. This determination will be based on Section 103 of the GML which requires competitive bidding for expenditures of (1) more than \$35,000.00 for the performance of any public works contract (services, labor or constructions), and (2) more than \$20,000.00 for any purchase contract (acquisition of commodities, materials, supplies or equipment).
  - b. The Executive Director or such authorized designee shall review the purchase request against prior years’ expenditures (if applicable) and will make a good

faith effort to determine whether it is known or can reasonably be expected that the aggregate purchases of a similar nature will exceed the above amounts. If so, competitive bidding procedures shall be followed for that expenditure.

c. The Executive Director or such authorized designee shall present any legal issues regarding the applicability of the competitive bidding requirements stated herein to the CDA's Counsel for an opinion and advice.

3. Methods of Competition to be used for Non-Bid Procurements and Procurements Exempt by Statute – Alternative proposals or quotations for goods and services shall be secured in all cases when possible by use of written requests for proposals or written quotations, verbal quotations or any other method of procurement which furthers the purposes of this Section, such as through

a. GML, Section 103 (3) (through county contracts), or

b. GML, Section 104 (through state contracts), or

c. State Finance Law, Section 175-b (from agencies for the blind or severely handicapped), or

d. Correction Law, Section 186 (articles manufactured in correctional institutions).

7. Circumstances justifying an Award to other than the Lowest Cost quoted

a. Delivery requirements

b. Quantity requirements

c. Quality

d. Past vendor performance

e. The unavailability of three or more vendors who are able to quote on a procurement, or

f. It may be in the best interests of the Agency to consider only one vendor who has previous expertise with respect to a particular procurement.

8. Documentation

a. For each purchase or contract made, the Executive Director or authorized designee shall set forth in writing the category of procurement that is being made and what method of procurement is specified.

b. The basis for any determination that competitive bidding is not required shall be documented, in writing, by the Executive Director or such authorized designee, and filed with the purchase order or contract.

c. For those items not subject to competitive bidding such as professional services, emergencies, purchases under city contracts or procurements from sole sources, documentation should include a memo to the files which details why the procurement is not subject to competitive bidding and include, as applicable:

1. a description of the facts giving rise to the emergency and that they meet the statutory criteria; or
2. a description of the professional services; or
3. written verification of city contracts; or
4. opinions of CDA Counsel, if any; or
5. a description of sole source items and how such determinations were made.

d. Whenever an award is made to other than the lowest quote the reasons for doing so shall be set forth in writing and maintained in the procurement file.

e. Whenever the specified number of quotations cannot or will not be secured, the reasons for this shall be indicated in writing and maintained in the procurement file.

## 9. Exceptions to Bidding

a. Emergency Situation – An emergency exists if the delay caused by soliciting quotes would endanger the health, welfare or property of the municipality or of the citizens. With approval by the Executive Director and the CDA Counsel, such emergency shall not be subject to competitive bidding or the procedures state above.

b. Resolution Waiving bidding Requirements – The CDA may adopt a resolution waiving the competitive bidding requirements whenever it is determined to be impracticable, and the resolution shall set forth the reasons.

c. Sole Source – Defined as a situation when there is only one possible source from which to procure goods and/or services and it is shown that the item needed has unique benefits, the cost is reasonable for the product offered and there is no competition available. In this situation, a request for a resolution waiving bidding requirements, as described above, is required.

d. True Lease – Prices will be obtained through quotations whenever possible. The award shall be made on the basis of goods and /or services to be provided, ability to meet the specifications desired and price.

e. Insurance – All insurance policies shall be procured in accordance with the following procedures:

1. Premium less than \$10,000 – documented telephone quotations from at least three agents (if available).

f. Professional Services – This category includes services which require special education and/or training, license to practice or are creative in nature. Examples of professional services are: lawyers, doctors, accountants, engineers, artists, etc. For the procurement of professional services, requests for proposals should be used, when possible, and if the CDA waives the need for RFPs, the reasons for such waiver(s) should be included in any resolution approving such professional services.

10. Minority and Women business Enterprises – The CDA shall comply with all applicable legal requirements relating to the hiring of such businesses.

11. Input from members of the CDA – Comments concerning the procurement policy shall be solicited from the members of the CDA from time to time.
