10. Leonora Liz is requesting from the Board of Estimate to establish a new policy in regards to the approval of new contract or agreements made with the City of Middletown. Policy reads as follow:
All request for new contracts/ agreements approval that may require the authorization for the Mayor to sign must be signed first by the vendor/contractor before being presented to the

Board of Estimate for approval. The contract or agreement must be completely finalized before being presented to the Board of Estimate for approve. Exceptions may be made in discretion of the Board of Estimates and Apportionment.

This policy will be maintained and updated in the Treasurer's office as part of standard policies and procedure. The proposal is to be made in effect for next Board of Estimate meeting.
