Fact Sheet

A & K Restaurant complained of high W/S bill for the May and Sep periods of 2018 and they were high at \$17,000 and \$10,000 respectively (\$27,000). We wrote to them and told them they could not be a candidate for adjustment because their rental permit had expired in 2016. They paid the arrearages in Apr 2020 however inspections have not been done because of COVID scheduling.

In 2019 Chesswold paid the City for the water and sewer charges and currently holds the lien that will require a payment of \$28,706.03 to redeem

Current W/S charges owed to the City are \$27,668.14 thru May 2020 with Sep coming on shortly.

4. Water and Sewer Adjustments TBD
