

The City of Middletown invites you to connect with us using Nixle 360!

Stay up-to-date on important updates and emergency alerts.

The City of Middletown has partnered with Nixle, a public notification system that will provide our residents with real-time informational updates and emergency alerts. Nixle 360 is purpose-built to provide secure and reliable communications, and its authenticated service can connect you to all of your city agencies such as the Police Department, Fire Department and Department of Public Works. Notifications regarding public emergencies, road closures, severe weather alerts, and much more will be delivered to you via multiple platforms, including social media! The system also provides an opportunity to submit confidential tips and requests for service. **Sign-up is free and easy!**
